Being a part of Funk Unit is a way of life and that goes for ACT as well. We are a family. Throughout all our years together, there have been countless moments of great joy and laughter but also times when we had to fight to stay on the right track. Remembering the highs always helped us facing the lows and get back up on our feet. The love for the music and for each other has always won and always will. We are Unbreakable.

Thank you Randy Brecker and Tim Hagans for wonderful playing.

Ray Parker Jr, you are the man!

A very special thank you to Siggie Loch and everyone at ACT for your restless work and to our fans and followers for supporting our music, both recorded and live. See you out there!

Love,

 & NLFU
